## Section 2 - Hazardous ingredient

---

There are no hazardous ingredients contained within this product

## Section 3 - Physical/Chemical Characteristics

---

Boiling point	N/A	Specific Gravity	N/A
Vapour Pressure	N/A	% volatile by volume	N/A
Vapour Density	N/A	Appearance and odor	Dark brown/black liquid
Solubility in water	Mostly Soluble	pH level	Slight seaweed, smell.
evaporation rate	N/A		3.9-4.1

## Section 4 - Fire and explosion Hazards

---

Flash point	N/A	Special fire equipment	
Method Used	N/A	Special Fire Hazards	N/A
Extinguishing media	N/A		N/A

## Section 5 - Reactivity

---

Stability	Stable	Hazardous polymerization	
Incompatibility	N/A	Hazardous Description	N/A
			N/A

## Section 6 - Health Hazards

Ingestion	Consume large amounts of water, seek medical advise
Eye Contact	Flush eyes with clean wter for 15 minutes
Skin Contact	Use general hygiene practices (wash hands with soap and water)

## Section 7 - Spills, Leaks and Disposal

Use general cleanup up procedures for non-hazardous liquid

## Section 8 - Special Handling Procedures

PPE includes wearing goggles when handling product Use  
general cleanup up procedures for non-hazardous material

## Section 9 - Supplemental Information

This product is created from a plant-based and mineral-based materials and may contain naturally occurring microorganisms  
Proper Precautions are required to prevent infection of open wounds, inhalation of dust and eye irritation  
Always remember to use proper hygiene techniques including hand washing and material cleaning.

Information contained within this MSDS sheet is not warranted.
